## Experience

**Management Consulting Analyst** Accenture *London, UK* **01/2023 - Current**

- **ACG**, Consulting Analyst, helping assist consultants with issues facing business and assess methods for market disruption.

**Project assistant Pharmaceutical & Life Sciences, Intern** Mace *Moorgate, London, UK* **07/2022 - 09/2022**

- Collaborated with multiple contracting teams in the elaboration of work progression on a critical path. This led to a **3-week saving** on the project timescale.
- Supported the project engineering team with technical issue identification and closure of business impact assessments.
- Designed and developed methods to collect data required for a technical evaluation of sustainability, driving a find of **119.27 tons** of CO<sub>2</sub> being recorded. Which was pivotal in the company's **2030 sustainability** targets.
- Led, organized and supported the project team in collating required drawings for office relocation.
- Engaged with clients to deliver updates on issues affecting the project team by holding weekly progress meetings.

**Assistant Consultant** GSK *Ware, Herts, UK* **07/2022 - 09/2022**

Consulting on behalf of Mace for works on legacy projects.

- Assisted project engineers by engaging with key stakeholders through presenting regular updates for the improved capacity of the FDS.
- Researched and designed a deck on CDM regulations which was later presented to senior clients in a workshop setting.
- Collaborated with multiple stakeholders to help identify the location of key insurance documents for AXA XL. This find was pivotal as it saved **2 weeks** in the projects critical path.
- Analyzed key pieces of health and safety legislation which assisted in GEMBA walks.
- Supported project team by presenting a '4-box' which gave key findings to senior clients this allowed a critical-issues to be highlighted.

**Corporate Tax Associate, Intern** Grant Thornton *Moorgate, London, UK* **06/2022 - 07/2022**

- **Reported directly to Senior Partner:** Assisted partner for designing a report for a client deal worth **£460 million**. This required research into the dynamics of the M&A details and what our next steps will be.
- Designed and verified letters of engagement for various clients, simultaneously onboarding accounts.
- Researched and analyzed HMRC regulations to create a deck that would be presented to clients on tax risk to win work. Used managers and directors in the decision-making process.
- Assisted partners and directors in creating documents and information packs to win work.
- Supported and amended tax compliance documents for over 10 clients using Appian, Alpha-tax and Tolleys library.

**Research assistant, Intern** King's College London *London, UK* **06/2020 - 08/2020**

- **King's Undergraduate Research Fellowship:** Correctly mapped a new anti-tuberculosis drug within targeted site (MATLAB & Python)
